=====SERVICES PROVIDED=====

INITIAL CONSULTATION: Your first appointment is not automatically the first of many. It is intended to give you a first look at the process of therapy and at your therapist, and to provide you with enough information to clarify both your intention to enter therapy, and some goals for its outcome and some of the time will be spent going over the paperwork along with clarifying any insurance issues.

PAYMENT: Please pay your fee when you come in, or at the end of each session. Ledger statements can be provided on request. Make your check payable to either Jeffrey Rose or FFCS.

APPOINTMENTS: Though regular appointment times can be scheduled for some clients, we usually manage appointments based on the unique scheduling and treatment needs of each client. Some evening appointments are available.

CANCELING APPOINTMENTS: We ask that you give us 24 hours' notice if you need to cancel or reschedule. Your appointment is yours alone. Without prior notice it cannot be given to anyone else.

You will be charged the regular fee for appointments missed without 24 hours' notice!
